

INFORMATION LETTER

Dear Students and Faculty!

Council of Young Scientists of the NKU named after M. Kozybayev is holding a competition of scientific Start-up projects.

The purpose of the competition: to support young researchers of NPLC "NKU named after M. Kozybayev" through the implementation of innovative projects, which are based on the result of research activities.

Participants of the competition: due to the fact that the winners of the competition bear obligations in the post-competition period, students of **1-3 courses of bachelor's and master's students of the 1st year (non-graduation courses)** are allowed to participate in the competition.

Competition plan: the competition will be held in two stages: in absentia format (semi-final stage) on May 16-19, 2023 and offline (final stage) on May 23, 2023 in room No. 115 of the educational building No. 1.

Stages of the competition:

1. Announcement of the Competition, placement of accompanying documentation on information resources: no later than April 24, 2023.
2. Collection of Applications from the Participants of the Competition: from 24.04.2023 to 15.05.2023
3. Selection of participants in the competition (semi-final, in absentia): from 16.05.2023 to 19.05.2023
4. Final stage of the competition (offline format): 23.05.2023
5. Awarding of the Contest Winners: no later than May 26, 2023.

Criteria for evaluating a scientific project:

- scientific novelty;
- technological features and uniqueness of the project;
- practical significance of the project;
- profitability;
- expected social effect from implementation;
- the quality of the presentation.

Competition Budget: The winners will receive cash prizes in the amount of 54,000 (the total budget of the Competition is 270,000, including taxes) tenge.

Post-competition period: Within a calendar year from the date of the end of the Contest, the winners are required to: obtain an act of implementation of their scientific project at enterprises working in this area or publish 1 (one) article in a publication recommended by the CQAFSHE.

For all additional questions, please contact Zhadan Konstantin Sergeevich, (87052413627).

**Council of Young Scientists
NKU named after M. Kozybayev**

Application for a participant in the competition of scientific Start-up projects

Based on this application, a primary (semi-final) selection of projects will be made. Try to briefly but informatively describe your work.

FULL NAME of participant	
Faculty, group	
Phone	
E-mail	
The name of the project	
Brief abstract to the scientific Project (no more than 200 words)	
Practical significance of the Project	
Sphere of implementation (potential enterprises for the implementation of the Project)	
The uniqueness of the Project and its scientific novelty	
Necessary financial resources for the implementation of the Project (cost estimate)	
Project implementation stage (primary, in development, at the final stage, fully completed)	

Project participant's signature _____
